7. Teachers and Teachings Worth Hearing

Join us for 5 sessions featuring 5 different teachers who will open up God's Word to us. While the topics, and passages in these sessions will be varied, we believe these are teachers worth being exposed to, and teachings worth considering. If you had a sermon playlist, we think these teachers should be among your 'most played.' These messages are taken from a variety of conferences, so the intended audiences vary, but we think there is something in each that will benefit you.

Once 5 for Faith comes to a close, your opportunity to grow in your faith with a community of believers doesn't.

Emmanuel's Small Groups ministry is a fantastic way for you to keep growing along with others.

1. The Pursuit of Joy in Life and Ministry with John Piper

Most people in the world have no experience of deep and abiding joy. Even though it is something we all desperately long for, the assurance that true happiness can be known — fully and forever — is a hope that billions of people live every day without. This is a tragedy.

You were made to know glory — God's glory. And the deepest longings of the human heart can be fully satisfied by pursuing that glory. In fact, God is most glorified in us when we are most satisfied in him.

We call this truth Christian Hedonism. And declaring it to the world is why we exist.

In this 5 part seminar, John Piper will present the essentials of his teaching, that is in many ways the culmination of his past 30 plus year's of preaching and writing.

2. Grandparenting

Many powerful voices are influencing our grandchildren, from those at home and in their schools to those in the world of entertainment and media. What can you as a grandparent do to speak wisdom and godliness into their lives?

Grandparenting gives you a biblical foundation for investing spiritually in your grandkids, walking you through the principles of influencing them for Christ--from sharing with unbelieving grandkids to discipling them into a mature faith.

This material comes from the Christian Grandparenting Network (CGN) based in Colorado Springs, CO, and is presented by a variety of the ministry team of the CGN.

Topics include:

What Is the Biblical Role of a Grandparent?

How to Pass Faith to Future Generations

Loving Grandkids in Scary Times

Never Too Late: Encouraging Faith in Your Adult Children

Grandparenting Through a Child's Divorce

The Art of Single Grandparenting

Passing on a Heritage of Faith with Enthusiasm and Joy

How to Pray and Read the Bible with Your Grandchildren

Unleashing the Power of Spoken Blessing

3. The Gospel Family

The Gospel Coalition's 2019 National Conference—"Conversations With Jesus"—was held March 31–April 3, 2019, in Indianapolis, Indiana. Over four days, 80 speakers and more than 60 pre-conference, keynote, and breakout sessions focused on the theme of evangelism.

During the preconference sessions, a series of speakers applied the theme of the conference to the family. These sessions will challenge you to raise kids who not only love Jesus, but who will take the Good News to the world!

Our presenters: Albert Mohler, Benjamin Watson, Jen Wilkin, Paul Tripp, Ligon Duncan, Danny Akin, Trevin Wax, and Russell Moore

4. Missions: The Cross Conference

God's plan has always been that the name of Jesus would be known in every corner of the world. We all have a part to play in this grand, global story of God — **CROSS** exists to help you find yours.

This series of messages from the Cross conference 2016, will encourage and challenge youth thinking and actions in regards to world missions...in the words of the cross conference...

Some Go- Goers cross boundaries to proclaim the name of Jesus where it has never been heard or where there are few Christians.

Some Send - Senders leverage their lives to support goers with our prayers, finances, encouragement, and other means.

All are Called - We are all called to give our lives away to make the name of Jesus known around the world. This is the reason God created you, saved you, and calls you. You have a part to play in God's plan for the world.

5. Spiritual Gifts

This session will explore a variety of topics that fall under the broad heading of 'spiritual gifts.' There is much in this realm that has been somewhat controversial, however, we want to view and interact with some teaching that will help us think through some critical questions and portions of Scripture.
